INSTRUCTIONS

Leadership Lafourche, the Lafourche Chamber of Commerce, and the Thibodaux Chamber of Commerce invites you to nominate individuals for this prestigious award! The purpose of this award is to recognize the significant role that the Oil and Gas industry plays in the prosperity of our community. The 25 honorees who are drawn from the Oil and Gas Industry and support services, are judged on their outstanding career achievements and contributions to the quality of life and ongoing prosperity of the Lafourche community.

A panel of judges will evaluate each nomination on information provided in the following categories:

- Contribution to Lafourche's role as a leader in the Oil and Gas Industry
- Career Achievements
- Community Involvement

Information provided in nomination materials may appear in print in the production of a magazine or press release. Honorees will be invited to a photo shoot, in which photos will be taken for use in publications.

CRITERIA:

To be eligible, individuals who either reside or have a place of operations in Lafourche Parish, work in the oil and gas exploration and production, oilfield services, or oil and gas infrastructure industry. JUDGING:

Judging is based on a 30-point scale, with a maximum of 10 points allocated for each of the main nomination sections. Five judges with diverse professions will individually read and score each nomination. Judges' scores are combined and the 25 highest-scoring candidates will be honored. Judges are not eligible to nominate anyone.

All candidates and nominators will receive written acknowledgment of the final honoree selection after September 1, 2015.

Honorees may also be asked to provide additional information to be published in bios for said publications. Publication of Honorees is set to be published and an Awards Ceremony to take place in November 2015.
